

**Overview :** FOM is a volunteer, non-profit society devoted to offering guiding services to Singapore's museums and cultural institutions and to delivering programmes to enhance the community's knowledge of Asia's history, culture and art. FOM partners with the National Heritage Board (NHB), the National Arts Council (NAC) and other public and private organizations to provide members and the public with opportunities for service and life-long learning through our various programmes.

I have been a member of this society since 2022 attending public talks, volunteering at the membership booth weekly free for public Friday evening talks at Asian Civilisations Museum and participating in annual drives in partnership with local charity organization to distribute pizzas to Singapore's migrant workers

### Deepavali food distribution to Singapore migrant workers

### Friday evening talk with Yip Yew Chong, who has been adding colour to Singapore's orderly urban landscapes with his street art popping up in neighbourhoods

**Overview :** kidsREAD is a nationwide **reading programme** in Singapore aimed at cultivating the love of reading among children aged 4 to 8 who are from **less privileged families**. Children are engaged in a fun and interactive programme by trained volunteers leveraging following approach. I have been volunteering with KidsRead since 2020 over the weekend. In addition, I have organized advocacy and engagement events for KidsRead students including a visit to the neighbourhood urban farm - City Sprouts in Singapore.

**Early learning through an urban farm walkabout, understanding working of an aquaponic while feeding fish, harvesting butterfly pea flowers and cooking “Ondeh-Ondeh” with the flowers!**

INVITES YOU TO A MORNING OF

# LEARNING & FUN AT CITY SPROUTS!

January 27th, 10:15AM - 12PM

**Farm Tour**

Step into the enchanting world of our farm! Kids will have the unique opportunity to not only see but also touch and hold friendly chickens. Dive into the fascinating realm of aquaponics as you feed our playful fishes. Plus, get up close and personal with an array of plants and flowers, with the added bonus of tasting some flavors of nature!

**Ondeh-Ondeh Workshop**

Dive into Malay heritage as you craft this delectable traditional kuih from scratch. Watch the magic unfold as you create your own blue food coloring using butterfly pea flowers you freshly harvest from our farm. The best part? Indulge in delicious results of your hard work by savoring the ondes-ondes you've made with your own hands!

**Please confirm participation with your KidsRead Reader by

### CERTIFICATION OF ACTIVE COMMUNITY WORK

This is to certify that Ms Navneet Khosla and her family are active members of the Alexandra Residents' Network in Henderson-Dawson Division, supporting various initiatives and contributing towards the community.

2 Both Ms Navneet Khosla and her daughter had volunteered their time and effort at the weekly programme under We Love Learning (WeLL) Centre, which renders necessary assistance to the children from the low income families to enhance their learning opportunity.

3 We would like to thank Ms Navneet Khosla and her family for their contributions in making the positive impact in the community, and take this opportunity to applaud them for their spirit of giving.

4 Thank you.

Yours faithfully

Soh Chee Keong, JP, BBM (L)
